Mail for Mr. Piyuesh, a 1979 pass out, an outstanding NCC cadet and presently settled in US.

Dear Piyuesh ji,

With regret I am writing that the day you talked to me and sent me your mail id, on that very day my cell was lost. I was left in the lurch how to contact you. Infact I wanted to come personally to meet you but in vain. I am sure you will be looking at our College website. Please do contact at my mail id resutra13@gmail.com or give a call.

Regards & Wishes

Dr. Nutan Kumar Resutra
