ONE WEEK CSTT-MHRD, WORKSHOP CONCLUDED

29-05-2017 One Week Workshop organized by the Commission for Scientific and Technical Terminology, MHRD, Govt. of India in collaboration with Department of Botany Govt. Degree College Udhampur for coinage of fundamental glossary of Botany in Dogri Language concluded today in which more than 600 scientific and technical terms of the Botany were coined and evolved by the experts who participated in the said workshop. It was commission's third meeting for the business of evolving and coining Dogri Equivalents of the technical terms of Botany. The Project was jointing taken up jointly by the Department of Botany, University of Jammu and Department of Botany, Govt. Degree College Udhampur in 2014. Dr. Dharmender Kumar, Assistant Director and Controlling Officer CSTT New Delhi informed during his concluding remarks that commission intends to establish a Board for the development of knowledge on physical sciences in Dogri Language in the region after developing fundamental glossaries of other subjects which will go long way in developing and disseminating the knowledge to the society in general and students community in their mother tongue. Prof. S.S. Bhalwal, Principal of the College also threw light on the proceedings of the workshop and complemented the experts for the noble contributions to the society. He also appreciated and commended the efforts of Prof. Romesh Kumar Atri, HoD Botany of the College for organizing the workshop and assured the CSTT of all kind of administrative support required for such kind of activities in future too.

Prominent experts who participated in the workshop include Prof. Yash Paul Sharma, HoD Botany, University of Jammu, Jammu, Prof. Romesh Kumar Atri, HoD Botany, GDC Udhampur, Litterateur and prominent Dogri Poet Sh. Prakash Premi, Dr. Rama Sharma, from IIIM Jammu and Sh. Sham Lal, Lecturer in Botany.
