### **Students of GDC Udhampur visit Battal Ballian Industrial Complex**

The students of Department of Environmental Sciences of Govt. Degree College, Udhampur, in the company of Prof. Poonam Kundan visited Battal Ballian Industrial complex to meet one requirement under the prescribed subject curriculum. Principal of the College Prof. S.K Magotra addressed the students before flagging off the tour in the morning. At Industrial Complex Battal Ballian members of Association of Industries including Sh. Udhayveer Singh, Sh. Raghubir Gandotra, Sh. Ravinder Thakur, Sh. Pardeep Bakshi, Sh. Vijay Kapoor, Sh. Anupam Rajvanshi, Sh. Sukhdev Singh, welcomed the students and accompanying the staff members and facilitated during the visit. The students were taken to Dhanuka Agritech, Indian Insecticides Limited, and CEMCOM Cement factory and were shown various Industrial operations, procedures and their linkages and impact on Environment. Mr. Raghubir Gandotra from Association of Industries, Amir Choudhary project Manager, DIC, Adil Sheikh, Dy. SP and other motivated students for taking up entrepreneurship as a source of employment and acquainted the students with the procedures and parameters for installing small scale units. They also deliberated upon different schemes of State as well as Centre Government for up-liftment of educated youth. Lastly the students and faculty members of Udhampur Degree College including Prof. Jawaid Sarver, Assistant Professor Department of Botany, Ms. Radhika Kumar, Lecturer, Department of Environmental Science, Sh. Sanjeet Singh, thanks association of Industries Udhampur and DIC Udhampur for their support.
