GDC UDHAMPUR OBSERVE OZONE DAY

16-09-2017: GDC Udhampur observed 16th September “International Day for the preservation of Ozone layer” in the College Conference Hall. The proceeding of the celebrations began with traditional lighting of the lamp by the chief guest on the occasion Prof. S. S. Bhalwal, Principal of this College and other Senior faculty members who were present on the occasion. Prof. Poonam Kundan of Department of Environment Sciences welcomed the dignitaries and guests and gave detailed talk on the topic ‘Ozone layer depletion, its causes and remedial measures. A beautiful thought provoking skit on the theme i.e Preservation of Ozone Layer was nicely presented by the students of B.Sc./B.A Sem-I in which all aspects related to the theme i.e Ozone formation depletion, effects and control were artistically displayed which enthralled the audience. Principal of the College Prof. S. S. Bhalwal in his presidential remarks on the occasion executed upon students to carry the message of the skit to the common masses and emphasized on the revival of Environment friendly old life style. He commended the initiatives of the EVS Department of the College in organizing the event and asked the faculty to continue their endeavors for commemorating all the other International Days themed for the conservation and holistic health of our environment.

Prominent among the others who witnessed the programme proceedings include Dr. Udhey Bhanu, HoD Mathematics, Prof. Suresh Kumar Dogra, Prof. Kamal Kishore, Dr. Vipul Chalotra, Prof. Shonima, Dr. Ankush Bharti

Programme concluded with the formal vote of thanks by Prof. Radhika of EVS Department.
